**VOLUNTARY ANNOUNCEMENT
RECEIVING THE BID CONFIRMATION FOR CARPARK NO.1 AND NO.3
OF GUIYANG LONGDONGBAO INTERNATIONAL AIRPORT**

This announcement is made by Shougang Concord International Enterprises Company Limited (the “**Company**”) on a voluntary basis.

Recently, the Company has received the bid confirmation from 貴州省機場集團有限公司 (Guizhou Airport Group Co., Ltd., the “**Guizhou Airport Group**”), pursuant to which, Guizhou Airport Group is of the opinion that, after competitive negotiation and on-site investigation, the Company meets the tender requirements for operating Carpark No.1 and No.3 of Guiyang Longdongbao International Airport (“**Guiyang Int’l Airport**”), and therefore invites the Company to participant in the operation of Carpark No.1 and No.3 of Guiyang Int’l Airport.

Guiyang Int’l Airport is an important aviation hub in China and serves as an opened-up port in Guizhou. In 2017, the passenger throughput of the airport exceeded 18.1 million, representing a growth of approximately 19.9% as compared to 2016. It is expected that the passenger throughput in 2018 will reach 20 million. The total gross floor area of Carpark No.1 and No.3 of Guiyang Int’l Airport is approximately 90,000 square meters with around 1,860 car parking spaces provided.

Following the successful obtainment of the operation rights of carparks at Beijing Daxing International Airport and Shanghai Hongqiao Airport, the participation in the operation of the carparks at Guiyang Int’l Airport represents that the Company is recognized by the market in respect of carpark operation. The Company focuses on investment in the carpark operation and management, and endeavor its best effort to create safe, convenient and comfortable car parking spaces for people through intelligent design, reconstruction and operation of carparks. With an aim to improve the urban static traffic environment and enhance the urban transport services level, the Company will continue to introduce new products for the car parking operation in the future, in order to relieve urban traffic problems and to provide professional travel services.
