VOLUNTARY ANNOUNCEMENT BEIJING ROBOT FUND HAS INVESTED IN BOOSTER ROBOTICS

This announcement is made by Shoucheng Holdings Limited (the "Company", together with its subsidiaries, the "Group") on a voluntary basis.

The board of directors of the Company is pleased to announce that recently, the Beijing Robot Industry Development Investment Fund (Limited Partnership)* (北京機器人產業發展投資基金(有限合夥), "Beijing Robot Fund"), managed by a wholly-owned subsidiary of the Company under Shoucheng Capital of the Group, has invested in Booster Robotics Technology Co., Ltd.* (北京加速進化科技有限公司, "Booster Robotics"). This investment will further promote the product research and development and iterative upgrades of the invested company, reinforcing its market-leading position in commercial deployment and scenario implementation.

Booster Robotics is committed to delivering simple, reliable and practical humanoid robots. Through a differentiated product strategy integrating the "robot body + operating system + developer tools", Booster Robotics has built deep, full-stack technological moats in humanoid hardware design, end-to-end whole-body motion-control foundation models and system-level software engineering. This investment will provide greater momentum for Booster Robotics in product research and development, commercial-scenario expansion and production-capacity build-out, and further accelerating the process of its technological innovation and market expansion.

Looking ahead, the Group will continue to increase its investment layout in the robot industry unwaveringly, especially through continuous collaboration with high-quality and high-potential enterprises. By investing in leading original-equipment manufacturers, the Group will explore upstream and downstream opportunities throughout the value chain, helping portfolio companies achieve commercial closure loops faster and expand additional real-world application scenarios.
