VOLUNTARY ANNOUNCEMENT
REGARDING THE RELEASE OF LIST FOR ROBOTICS COMPANIES

This announcement is made by Shoucheng Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) on a voluntary basis.

The board of directors of the Company is pleased to announce that Shanghai Xunfa Enterprise Management Co., Ltd.* (上海訊發企業管理有限公司, “**CANPLUS**”), a wholly-owned subsidiary of the Company under Shoucheng Capital of the Group, recently hosted the 2025 Robotics Venture Capital Exchange Event* (2025 機器人創投主題交流活動) at the Beijing Etrong International Exhibition & Convention Center. During the event, the list for the “2025 Top 20 Investable Robotics Companies in China” and “2025 Top 30 Growth Potential Robotics Companies in China” were jointly released and presented. For details of the list, please refer to Appendices I and II of this announcement.

The list contain companies nominated by nearly 100 renowned investment institutions, covering more than 100 outstanding robotics projects across key areas such as embodied intelligence, ontology integration, vertical applications and core components. The selection process involved online voting by more than 60 professional investment institutions, with the final results determined by a judging panel comprising well-known investors, experts, scholars and industry representatives.

Notably, several of the Company’s portfolio enterprises were included in the list, affirming the Company’s forward-looking strategy in the robotics sector and the strength of its portfolio. The list further reflect strong endorsement from both the industry and capital markets.

Moving forward, the Group will continue to increase its investments and strengthen its strategic position in the robotics industry. Focusing on high-growth, high-value enterprises, the Group will leverage its unique industrial ecosystem to empower portfolio enterprises. These strategies will accelerate technological breakthroughs and commercialization, driving the Chinese robotics industry to global leadership.
